This Publication Is The Product of A Member of

Thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of a satisfactory Directory.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

*Association of North American Directory Publishers

Might's Map and Directory coverage extends over the entire area of Metropolitan Toronto and beyond into the fringe areas

---

Turn to pages "D" and "E" inside the front cover of this directory for details

---

MIGHT DIRECTORIES LIMITED

TORONTO 2B, ONT. TELEPHONE EM. 4-1481

MIGHT'S 1963 COMBINED

GREATER TORONTO

(Including the communities of LONG BRANCH, MIMICO, NEW TORONTO, SWANSEA, WESTON, YORK TOWNSHIP, FOREST HILL, LEASIDE, EAST YORK and large portions of ETOBICOKE, NORTH YORK and SCARBOROUGH TOWNSHIPS.)

STREET, HOUSEHOLDERS and BUSINESS GUIDE
and
HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL SEQUENCE SHOWING:

- Location and description of each street.
- Postal information on each street.
- Points on each street where other streets cross.
- Name of the occupant at each number on every street listed.
- Whether occupant at each number is the Owner or Tenant.
- Telephone number, where obtainable, at each address.

1926

PLEASE NOTE THESE IMPORTANT POINTS:

1. The profession, line of business, etc. of individuals and firms is shown in this section opposite their respective places of business. A fuller explanation will be found in the white page Alphabetical List of Names. The occupations of householders will also be found under their personal listings in the white pages.
2. The symbol (*) following the residence number indicates that to the best of our knowledge someone living in the house is the owner.
3. The symbol (✢) before a street name indicates that the street is in a suburban area. The name of the suburb appears in parentheses immediately following the street name; for example ✢ABERFOYLE CRES (Etob) which indicates that this street is in Etobicoke.
4. A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's call and therefore information for this address was unobtainable.
5. "Vacant" buildings are so designated.
6. Telephone numbers, as supplied to us on our enumeration, are shown opposite names.
7. ***The following "postal pointers" should be noted:***
   (a) The postal zone number immediately follows the street name; for example ABBOTT AV 9. Mail in such instances would be addressed to "Abbott Avenue, Toronto 9".
   (b) Where the street is in a suburban area the postal information will appear immediately after the suburban abbreviation; for example ✢ABERFOYLE CRES (Etob) 18 would indicate mail would be addressed to "Aberfoyle Cres., Toronto 18" while ✢ABRAMS PL (Nth Y) WLD indicates "Abrams Pl., Willowdale, Ontario" should be used in addressing mail.
   (c) Postal abbreviations (apart from postal zone numbers) used in these pages to indicate proper addressing are as follows:

DNV	= Downsview, Ont.	ETOB	= Etobicoke, Ont.	ISL	= Islington, Ont.
SCAR	= Scarborough, Ont.	WST	= Weston, Ont.	WLD	= Willowdale, Ont.

NOTE: **For information on streets beyond our enumeration boundary (and therefore not listed in these pages) please refer to our two Toronto Suburban Directories and our "Metro Square Map System", information on which is given on yellow pages "D" and "E" inside the front cover of this directory. Our handy "Arrow Pocket Guide" and "Arrow Pocket Map" on sale everywhere also provide much useful information on "Metro" streets.**
